eHealthScreenings
screenings made simple

REGISTRATION IS SIMPLE. TO SCHEDULE YOUR APPOINTMENT:

1. Go to <https://www.ehealthscreenings.com/signup>
2. Within the red **Not yet registered?** box in the middle of the screen, click the **Register Now** link.
3. Enter the Screening Key **THG12** and click on **Register**.
4. **New Users Only:** Enter your assigned default username and password and click on **Verify My Account**. Update your account as prompted, create a permanent username & password, and click **Register** to continue.
5. To register for the onsite screening, select the Onsite Icon*. Use the drop-down list next to your screening event to choose your desired time and click **Register**.
6. Accept the **Health Screening Consent** and **HIPAA Authorization** forms by checking the "I agree" box located at the bottom of each consent. In the **Signature** section below the consents, enter your first & last name and date, then click **Proceed to Confirmation**.

Offsite Lab Registration*:

If you are unable to make the onsite screenings you can choose to be screened at an Offsite. Login as listed above, scroll to the bottom of the appointments screen, and click the "Offsite Labs" icon. Follow instructions as prompted. Once completed you will receive confirmation of your registration, emailed prepaid lab, and instructions on how to complete your screening. For additional information call the customer service number below.

REMEMBER: You are encouraged to fast (no food) for 9 hours before your appointment.
Please drink plenty of water. Continue to take any prescription medications.
If you are diabetic, please consult your physician before fasting.
